Repair Procedure Refurbished Parts Service

Inside the European union

Version 1, January 1 2025

1 Repair procedure for Parts listed in the Refurbished Parts List

Please check the conditions of Refurbished Parts on <http://hatchtech.com/hatchtech-care-services> and Follow the steps described below:

1. Buyer will check the part with the Refurbished Parts List on the HatchTech Website <http://hatchtech.com/hatchtech-care-services> and replace the part with a spare when it is listed in the Refurbished Parts List.
2. Buyer sends the defective part which needs to be repaired in accordance with Delivered Duty Paid (DDP) Incoterms® 2020 and including a packing list to:

HatchTech B.V.
Attn.: HatchTech Repair Department
Innovatielaan 3
6745 XW De Klomp
The Netherlands

Buyer automatically agrees with the actual Sales price listed in the Refurbished Parts List and accept the actual shipping cost.

Please be informed that missing Packing Lists might cause delays and mistakes in processing.

Packing List

Some important details to include in the Packing List are:

- Date
 - Shipper and exporter contact information
 - Consignee contact information
 - The origin address of cargo
 - The destination address of cargo
 - Total number of packages within this shipment
 - A detailed description of each package
 - The volume and weight of each package
 - A description and quantity of the Goods of each package
 - The volume and weight of the entire shipment
3. Buyer sends the Packing List and Repair Form Refurbished Parts (*Annex A*) to repair@hatchtech.com.
 4. Buyers includes a hardcopy of the Repair Form Refurbished Parts (*Annex A*) and the Packing List to the shipment.
 5. After receiving your parts, our HatchTech Repair Department will check the Care Service Agreement and whether there is any visual damage and/or water damage.
 - In case visual damage and/or water damage is applicable, customer will receive a quotation for a new part. Your damaged part will be destroyed. If you would like to receive your defective part back, please state this clearly on the Repair Form Refurbished Parts Service. The return costs will be charged to you separately
 - In case visual damage and/or water damage is not applicable, HatchTech will send a refurbished parts back. By sending your part to HatchTech, you automatically confirm the order and agree with the

Refurbished price which you can find on the HatchTech Website in the Refurbished Parts List. This means that the serial numbers will differ from the serial numbers of the parts you sent to HatchTech.

In both options, HatchTech will invoice and send Delivered At Place (DAP) Incoterms® 2020 (excluding custom charges).

6. Buyer will receive a notification via MyHatchTech (our online customer portal) as soon as the parts depart from our warehouse.
